

Thank you for purchasing your tickets to the Terror Tours 2026!

Here are all the details you need to have a scary good time.

- **There is no airport shuttle this year, Ubers are way cheaper from Newark than LaGuardia Airport. For Train to bus service out of NYC use this link to plan your trip, the hotel local shuttle can pick you up from the last bus stop if you call – 201-272-1000**
[NY/NJ Transit Route Planner](#)

- The bus will load each day/night at **Meadowlands Plaza Hotel · 40 Wood Ave, Secaucus, NJ 07094**

- Friday Buses will leave at 6:45pm so be at the hotel lobby by 6:15pm for registration check, badge, & tour shirt pickup.

Saturday buses will leave at 5:15pm, so be at the hotel lobby by 4:45pm. You will pickup your swag bag on Saturday as well.

Sunday the bus will leave at 4:30pm so be at the lobby by 4pm.

- **Friday night**, there is food options at both haunts. Please be aware of timing at Brighton if you choose to do any other attractions or eat, we will give you a heads up that we are gearing up to leave.

Saturday there is food available at Kevin McCurdy's Haunted Mansion

Sunday, we will be stopping at Country Pizza just down the hill from Legends of Fear. I'm working with them on options and a heads up, so that part is fluid but you should be able to order various types of pizza and such. There is also an ice cream shop about 2 blocks down the road. Next to the Country Pizza is the cemetery where The Warrens are buried from the Conjuring series. The bus will leave Country Pizza at 7:15pm

- You will get your badge on Friday for the whole weekend. Saturday we hand out swag bags since the drive to the first haunt is about 1.5 hours. In the bags you could get a golden ticket. Once we start rolling we will have you look in your bags and we'll go one by one down the seats to shout out what you got!!
- Most of the golden ticket items will be handed directly to you on while we roll on the bus, but if you want we can store it for you until we leave the bus Saturday night back at the hotel. Keep your golden ticket with you until you have received your prize. We can secure any prizes under the bus in our totes if you wish.

- Alcohol is allowed but be responsible as the Terror Tours is responsible for your behavior and we need to ensure that the haunts get good patrons from us! Flasks ok, and try to use cups with lids and such. NO ALCOHOL IS TO LEAVE THE BUS or allowed in the haunt. The haunts have the right to refuse service if you are drunk and TT will not provide refunds for this reason.
- Costumes are not allowed, no masks or face paint.
- The bus will leave the hotel when all purchasers have arrived and loaded into the bus as long as you arrive at the times listed above, the bus will not leave the haunts before everyone is in the bus We will do head counts. Please alert one of us in a Terror Tour t-shirt if you know of someone still in the haunt or another location. You can hang outside the bus after you've gone through the haunts or browse any activities the haunts have provided. We have allotted enough time at all locations for you to do all the things and more. Please don't rush, enjoy the evening. We'll tell you on the bus before we unload when to be back.
- Food is allowed in the bus but clean up after yourself, garbage bags will be at the front of the bus.
- The weather looks dry and not cold for that weekend!! Basically 68 degrees all 3 days with lower 50's at night. Please wear closed toe shoes as some of the haunts have outdoor portions, hayrides and trails. Try to bring smaller purses or just a wallet, most haunts suggest leaving them in your car, so think of that before you board the bus.
- The Meadowlands Plaza check in time is at 4pm and check out is at 11am. Of course, you check in when you arrive to see if your room is ready prior to 4pm, with this being a room block I believe they will be ready before 4pm.
- Our group gets free breakfast from 7:00am-10:30am at the restaurant. You should get a card to present to the restaurant staff each day.
- Food and stores are within a short driving distance or ask the shuttle driver to take you places, it's free but tipping is encouraged. Walmart is 2.3 miles east. Several restaurants are about 1.3 miles east on either side of State Rd 3 including Olive Garden, Agave Mezcal, Plaza Pizza, Wayback Burgers, Barelis Restaurant, Panera and other quick serve locations. Closer to the hotel is an Italian Restaurant inside the hotel, a wendys and dunkin are within walking distance west of the hotel. The Dublin yard is south of the hotel, classic bar food and beer. Franklin Bar & Grill is near there as well. Both are on Front St.
Wine, Beer and Alcohol is sold at the Wine Outlet at the west end of the parking lot of the hotel, Hudson Wine is east on 3 by Olive Garden.
- Daytime activities are on your own, just be back to the hotel by the daily lobby times each day
I'll add a page after the Daily Itinerary of the addresses of some sights to see!
- We will likely get the meeting room on Friday and Saturday night with games. Banshee Brew is providing drinks and food for both evenings if you wish or you can bring your own food/drinks. We will be hanging out in the evening after the tour each night, so drop your stuff off in your room and join us!! We'll post on our FB page where we are each night and likely on the bus each night too.

New York has way too many things to pick out a few.

The hotel is just west of the Lincoln Tunnel with direct access to Times Square and just north of Times Square is Central park. If you choose to go into NYC please plan for traffic delays and transit options. The Lincoln Tunnel is a toll tunnel and passenger cars are charged a fee to drive into Manhattan at \$9 per car per day, if you are renting a car and plan on going into NYC you should get the EZ pass to avoid a much higher fee. So it's likely better to take the bus and train into NYC. It's a 22 min bus ride for \$4.20 per rider.

I was told by the Hotel earlier this summer that the shuttle driver can take you to the bus station at Plaza Center just east of the hotel. There you can the 122 or 190 bus over the river through the tunnel to the Port Authority Bus Terminal which is about 3 blocks away from Times Square. From there you can take a train to Coney Island (almost 2 hours from the hotel), Central Park, Hells Kitchen, Little Italy, China Town, etc.
